LETTER

Assistant Commissioner for Patents
U.S. Patent and Trademark Office
Washington DC 20231

Sir:

This will acknowledge receipt of an official Filing Receipt in the above-referenced continuation application. It is noted that the foreign priority information is missing, i.e., this application claims priority from EPO document number 96402393.1, filed November 8, 1996. It is also noted that internal priority was claimed by the undersigned in the preliminary amendment of November 6, 1997 under 37 CFR 1.78 (a)(4) and 35 USC 119(e) to U.S. Provisional Application Serial No. 60/052,126, filed July 10, 1997.

Additionally, it is noted that the surname of the first-named inventor is incorrect. It should be "VAN DER PUTTEN". There is a typographical error in the Title, i.e. "Method" is spelled wrong at its first occurrence.

Most importantly, the third inventor is missing from the Filing Receipt. KAREL ADRIAENSEN is the third inventor in this matter, as can be seen from the fourth page of the declaration in the parent application 08/965,136, filed November 6, 1997, copy enclosed.

I hereby certify that this correspondence is being deposited with the United States Postal Service on the date shown below with sufficient postage as first class mail in an envelope addressed to the: Assistant Commissioner for Patents, Washington D.C. 20231.

Margery B. Hood

Dated:

June 29, 1999
